(Circular No. 2.)

Springfield, O., July 29, 1895.

SIR KNIGHTS:

The Committee of Arrangements for the trip of this Commandery to Boston to the 26th Triennial Conclave of the Grand Encampment of Knights Templar beg

leave to report that they have arranged for the Sir Knights and families of Palestine Commandery to join Reed Commandery, No. 6 in a special train of Wagner vestibuled sleeping cars to run through to Boston, via the route indicated on another page of this Itinerary; and they believe this will be the

best trip Palestine ever made. The train will be superb, the scenery magnificent, and everything possible will be done to make the trip a pleasant one.

### Special Train.

The special train contracted for by Reed Commandery, and which we are to join and have our own special sleepers, will consist of one Baggage and Buffet Car combined, and six (or more if needed) twelve section Drawing Room Palace Vestibuled Sleeping Cars of the latest model and equipment, for the exclusive use of this party from Dayton and Springfield to the city of Boston.

### Itinerary.

the Falls will be at the **International Hotel**. The entire day will be spent in viewing nature's grandest wonder and visiting surrounding places of interest.

Leave Niagara Falls at 7:00 o'clock

p. m., going direct to Clayton, arriving

at that point at 6:00 o'clock a. m.,

**Friday, August 23rd**,

the new and palatial steamer "Empire State," re-

served for their use by the Rome,

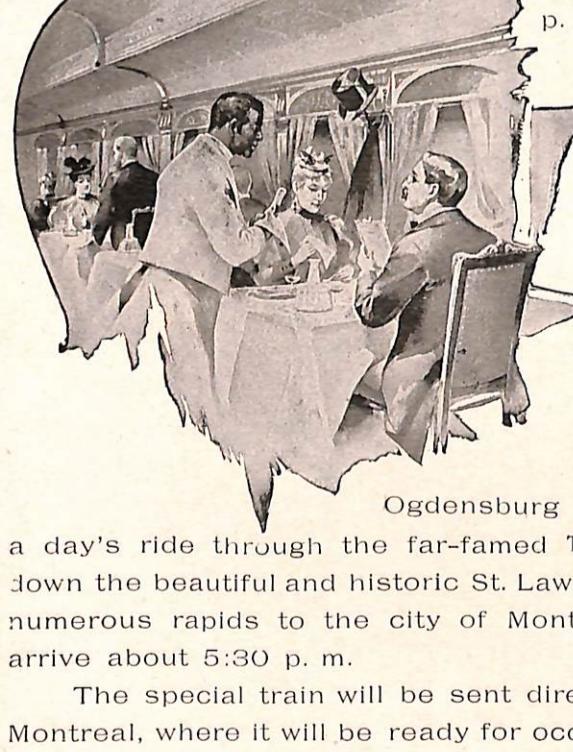

Watertown and

Ogdensburg Railway, and enjoy

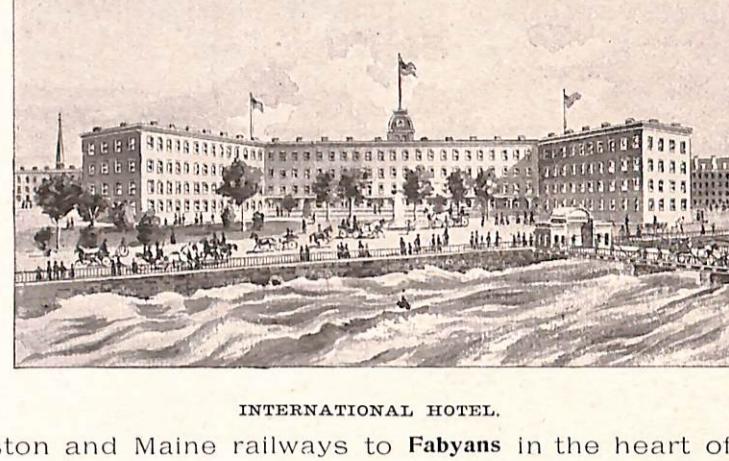

a day's ride through the far-famed **Thousand Islands**, and down the beautiful and historic St. Lawrence, shooting the numerous rapids to the city of Montreal, where we will arrive about 5:30 p. m.

The special train will be sent direct from Clayton to Montreal, where it will be ready for occupancy on our arrival. Any person not desiring to take the river trip can remain on the train.

The party will remain at Montreal until **Saturday evening, August 24**, affording ample time to view the many objects

of interest in Canada's greatest city. **Leave Montreal** at 8:00 o'clock p. m., via Central Vermont, Maine Central, and

INTERNATIONAL HOTEL.

Here, meals can be obtained either at the Fabyan House or Mt. Pleasant Hotel at reasonable rates. At Fabyans, special arrangements have been made for taking members of the party to the summit of Mt. Washington and return for \$3.00 each, which is one half the regular rate; also to Profile Rock and other

places of interest at greatly reduced rates.

Should the weather be unpropitious, the train will proceed direct to Boston, arriving at that city Sunday evening. Should the weather be favorable, we will spend the day among the mountains as outlined above and leave Fabyans

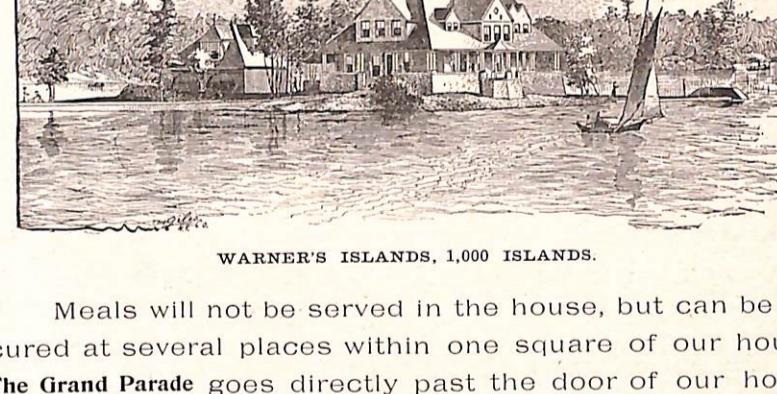

at 7:00 o'clock p. m., arriving in Boston at the Boston and

Maine depot early Monday morning.
